

VISION WIDE wins the award of the Rising Star

VISION WIDE TECH CO., LTD. has won the 14th the Rising Star Award, the chairman Mr. Hung accepted the award from Mr. Leung-the Vice Minister of Economic Affairs on Aug. 31, 2011.

The Rising Star Award winners are not only with outstanding export performance, but also complete business management operations, and fulfilling developing potentials. They have made significant contributions for strengthening the competitiveness to the machine tools industry in Taiwan.

Wide range products are available for different machining purposes: heavy cutting; high speed; efficiency, 5-face cutting, 5-axes cutting, cross beam moving etc. In addition, we will launch the new developing of machines with spindle quill traveling and column moving features in coming years. Our products are applied in the field of Components Machining, Plastic, Motor, Train, Aerospace, Vessel and Power industries.

Pursuing the Innovative Technology, Vision Wide keeps the core values of employees' education through the operating management of TPS/TQM system, NOM (Numerical Objective Management) and teaching-training system, to create an active-thinking working environment. Implementing Continual Improvement, Creativity and Execution, Vision Wide inspires all the VW members to embrace the shared Company Vision to achieve the mission of contributing the Human Society.

VISION WIDE TECH CO., LTD. as a professional manufacturer of Double Column Machines, commits to develop the equipment of key machining technology according to different industries' demands and provide the complete solution service from machine products to concerned application technology. VISION WIDE is an enterprise which full of passion and energy, keeping the spirit of continuous learning and improvement, establishing the best pattern for Small and Medium Size Enterprises, and becoming the giant for the future and pride of Taiwan.

第14屆小巨人獎—致力追求完美效益
喬崴進工具機 物超所值

■周韶華
喬崴進科技公司以專業化、國際化的一流團隊，專業製造高精度龍門加工中心機，在大型加工領域—門型加工機、動樑門型加工機、動柱型加工機，致力追求完美效益，以物超所值將自創品牌「Vision Wide」打響名號，奠定高品級地位，締造

營收超越10億元、年平均成長43%，事業版圖逐年成長茁壯，獲頒第14屆小巨人獎殊榮。喬崴進經營團隊擁有多年的數值控制工具機（CNC工具機）專業經驗，能確保設計之最佳化，且按照客戶所需加工條件研發設計製造，該公司的龍門加工中心機，可針對多角度加工，滿足顧客加工需求，提

供非常完整的附加頭產品系列，適應各種角度變化加工。喬崴進是台灣首家推出門寬4公尺的龍門加工中心機，更是台灣首家推出大型動樑升降五面加工中心機的業者，喬崴進雖屬年輕公司，但尖端研發內涵，更使系列產品深獲客戶肯定與青睞，NF系列龍門加工中心機榮獲2011台灣精品獎。

●喬崴進以世界級技術，在CNC大龍門加工機領域，建構起屹立不搖的產業地位，外銷成績亮麗，獲頒小巨人獎殊榮，董事長洪聖訓（左）接受頒獎。■周韶華
